MHWA is a CE provider approved by the CA Psychological Association to provide continuing professional education for psychologists. The Board of Behavioral Sciences recognizes CE credit from CPA approved providers for LCSWs, MFTs, LEPs, and LPCCs. MHWA’s CE programs meet the CA Board of Nursing’s requirements for acceptable continuing education for BRN licenses. MHWA maintains responsibility for this program and its content. **ATTENDANCE POLICY:** Those who attend this training in full and complete the appropriate evaluation form will receive CE credits. Those arriving more than 15 minutes after the start time or leaving before the training is completed will not receive CE credit.

Dr. Monique Crandal, PhD: *Working Toward Common Goals: Navigating CMIA, FERPA, HIPAA, While Mitigating Risks of Campus Violence*

After this training, participants will be able to:

1. Identify two relevant intersections of FERPA and HIPAA as they relate to an ongoing threat assessment case in a higher education setting
2. Demonstrate one to two ways in which timely communication can assist with goal-directed resolution for all parties involved
3. Identify two ways in which communication tools can be used to mitigate fear management and reputational risk to their institution
4. Demonstrate two lessons learned in communicating to relevant stakeholders within higher education by applying the updated CMIA/ FERPA/HIPAA guidance to their campus events
